

Has it been a month already? Goodness time sure flies by...

Well on that note I hope everyone had a nice Thanks Giving and are looking forward to Christmas =]

well those of you who aren't scrooges or so to speak =p

I do have to admit I love the Holidays, it just gets me in a good mood, and I do hate shopping but I love looking at Christmas stuff, so whenever I do go shopping I try to make it worth while by looking at all the Christmas decorations and whatnot.

Well anyways, I've got a few new updates. Well enough to suffice for a blog update anyways.

Latest Works of Art

[Love Story](#) - A romantic type portrait of William and Victoria done in a vintage scrap book type of style. Also I found I was lacking in pictures of those two together and had been wanting to do one for the longest time.

[Prophecy](#) - A poster style type of image featuring the Zyrian trio and their Egyptian god like alias. I had also been wanting to do something new with them but had trouble figuring out just what would work. Anyways characters are; Arzel, her alias: Sekhmet -Egyptian Goddess of war. Bhor, his alias: Anubis - God of the dead, and Zoal's alias is Horus - God of war whom is also "The one above all". Also centered in the portrait is one of their symbols; *The eye of Horus*. It's featured in many areas of their space ship and especially engraved on their *mecha*

Latest Comic Updates

Page 9 & 10 coming soon!

Other big news of somewhat an importance.. I finally caved in and bought myself a wacom cintiq. If you haven't a clue what the hell that is, you can see it [here](#) . But yes I bought myself one and should be getting it in the mail shortly. I'm very excited because I had been wanting one of these since I first heard about them. I'm also happy to say that with this thingamajigger, I should be able to get some works done a lot faster, and hopefully without getting to into and vomiting details everywhere. I have a bad habit of doing that for some reason.

Well that takes care of this month's slew of updates! Have a good day, and if I don't update till next month, then have a great Christmas!
